

a HEICO company

The Leading Edge In EMI/RFI Shielding Technology

Global-ic is a leading provider of EMI/RFI shielding solutions for a wide range of applications. Our products are designed to protect sensitive electronic equipment from electromagnetic interference (EMI) and radio frequency interference (RFI). We offer a comprehensive range of shielding products, including conductive coatings, shielding enclosures, and shielding bags. Our products are used in a variety of industries, including aerospace, defense, healthcare, and industrial. We are committed to providing high-quality products and excellent customer service. Contact us today to learn more about our shielding solutions.
